Citizens' initiative 'Sign against nuclear weapons'

No. 9: MOTION PROPOSED BY THE MEMBERS SJOERDSMA and VAN BOMMEL

Proposed on 28 April 2016

The House, having heard the deliberations, observing that the Netherlands has a nuclear weapons task in the framework of NATO and that one squadron of F-16s is responsible for carrying out this task; observing that the House is not familiar with the treaties providing the basis for the physical implementation of the placement and maintenance of these nuclear weapons; urges the Government to allow the House to inspect the bilateral treaties between the United States and the Netherlands, and proceeds to the order of the day.
